Have you noticed how often news reports change? If you pay attention, there are constant updates. The reports and recommendations of the media and political leaders are often full of reversals, variations, or contradictions. It is great to have a source of truth that is dependable. With God's Word you don't have to worry about it being different tomorrow. Like Jesus, it stays the same. Read Isaiah 40:8 and Psalm 119:89, 160 to see the unchanging nature of God's Word, write your study notes on the lines, and then answer the questions. Want to go deeper? You can also look at 1 Peter 1:22-25 and Matthew 24:35.

The Word of God, the Holy Bible, is not just a regular book. The Word is God! When we open this book, we are able to learn about the Author and build a relationship with Him that sustains us through it all. He is the subject of the book, the main character of the scriptures, and the reason we study. Let's look at John 1:1-5, 9-15 to learn more about the Word.
